Software for editing labels

Sw custom label is a program for printing and editing labels. You can create labels with great simplicity and without neglecting the graphic aspect.
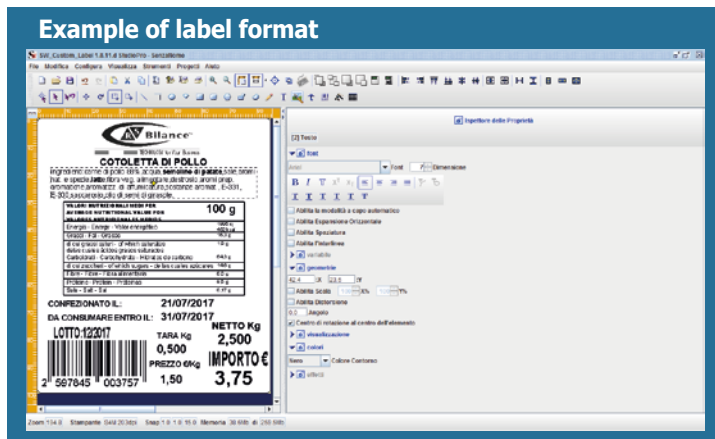

Management

- Fonts of any type, lines, curves, arrows of all thicknesses and dimensions, geometric figures, images and generic texts.
- Rotation of the label format: 0, 90, 180, 270.
- Rotation of the fields.
- Support of all barcodes.
- Automatic synchronization of labels with the connected machines.

Minimum PC requirements

- 512 MB RAM.
- Operating system Windows 7 or higher version.
- JRE 1.6 or later.
- Monitor with minimum resolution 800x600.
- Internet access.
